

TIL ALLE BESØGENDE TIL LANDBRUGS-RAS TETRAS DEMO

REGLER OM BIOSIKKERHED/ Biosecurity Rules

Besøgende/Visitors: Underskrift! / Sign the Visitors Sheet!

Besøgende skal bekræfte ved deres underskrift, at de har ikke været i kontakt med andre fisk **indenfor 3 dage før deres besøg her i demoanlægget.**

Visitors must declare with their signature that they have not visited another fish farm or infected area **within a period of three days before their visit here at the demo plant**

**THIS INCLUDES CONTACT WITH FISH IN YOUR OWN AQUARIUM!
DETTE INKLUDERER KONTAKT MED EGNE AKVARIEFISK!**

The biosecurity protocol has been developed to ensure the animals' welfare and minimize the risk for possible disease outbreaks. This protocol has been developed to ensure compliance with legislation and applicable directives, see below:

* EU directive 2006/88/EC

* EU Animal Health Regulation (EU) 2016/429 EUR-Lex - 32016R0429 - EN - EUR-Lex (europa.eu)

* Delegated Regulation (EU) 2020/691 with additions regarding provisions for aquaculture establishments and transporters of aquatic animals EUR-Lex - 32020R0691- EN - EUR-Lex (europa.eu)

Dette skal du vide: / What you need to know:

FODTØJ/SHOES: Der skal anvendes et af følgende midler for at hindre smitte fra dit fodtøj /

One of the following methods must be used to avoid spreading of disease via your shoes:

- **Fodbad/Footbath** – Virkon S i 1% opløsning/dilution - RAS anlæg indgang/ RAS demo entrance
- **Sko overtræk** – findes ved indgang til RAS anlægget / Plastic shoe bags – RAS demo entrance

HÆNDER/HANDS:

- Der skal anvendes **håndsprit** – ved indgang til RAS anlægget /
- **Hand disinfectant** must be used – RAS demo entrance

Der udøves et **"IKKE RØR"** princip! / Use the **"DON'T TOUCH"** approach!
